Underwood Awards

An Aid to Teachers—An Incentive to Students

THOUSANDS of typewriting teachers are today finding their work easier and more interesting because of Underwood Medal Emblem Awards. And the incentive of winning these beautiful awards is urging students to try for a higher degree of typewriting speed and accuracy.

There are seven medal emblems—ranging from the bronze with the center of rich blue enamel to the platinum-gold, inset with diamonds and emeralds. For each student award there is a corresponding one for teachers.

The awarding of these emblems is but one phase of Underwood School Service. Monthly Tests, Charts, Honor Rolls, Rental and Employment Services and Speed Demonstrations are other ways in which Underwood is helping promote Better Typewriting.

We have prepared a booklet describing the Underwood Awards Plan and showing the Medal Emblems in full colors. Your request for this free booklet on the coupon below will not obligate you in any way.
